This INTEGRATED DEVELOPMENT ENVIRONMENT INDIVIDUAL LICENSE AGREEMENT ("License Agreement") is made and entered into by and between RStudio, Inc., a Delaware corporation ("RStudio" or "we", “us", or “our”), and you ("You" or “Your”). CLICK THE “ACCEPT” BUTTON IF YOU HAVE THE AUTHORITY TO ENTER INTO THIS LICENSE AGREEMENT AND YOU HAVE READ AND FULLY UNDERSTAND THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. CLICKING “ACCEPT” ESTABLISHES A BINDING AGREEMENT ON THESE TERMS AND CONDITIONS BETWEEN YOU AND RSTUDIO.

1. Introduction

1.1 The RStudio Integrated Development Environment (the "IDE," and specifically including the RStudio system files and other software, documentation, packaged application programming interfaces (“APIs”), and RStudio API add-ons) is licensed to You subject to the terms of this License Agreement. This License Agreement forms a legally binding contract between You and RStudio in relation to Your use of the IDE.

2. Accepting this License Agreement

2.1 In order to use the IDE pursuant to these terms, You must first agree to this License Agreement and pay the fees charged to You by RStudio for the use of the IDE under this License Agreement. If You do not accept this License Agreement or You do not pay the fees charged to You by RStudio, You will use the IDE pursuant to the Affero General Public License.

2.2 You may not use the IDE and may not accept the Licensing Agreement if You are a person barred from receiving the IDE under the laws of the United States or other countries including the country in which You are resident or from which You use the IDE.

3. IDE License from RStudio

3.1 In consideration of Your payment of the fee charged to You by RStudio then, subject to the terms of this License Agreement, RStudio grants You a limited, worldwide, royalty-free, non-assignable, non-transferable, non-sublicensable and non-exclusive license during the term of this License Agreement to use the IDE and accompanying documentation on a single computer system solely to develop software (each a “Product”) designed to be licensed, sold, transferred, used or distributed for use with R, the open source programming language and software environment for statistical computing and graphics (the “Platform”).

3.2 You agree that RStudio and its licensors own all legal right, title and interest in and to the IDE and any Intellectual Property Rights therein. "Intellectual Property Rights" means any and all rights under patent law, copyright law, trade secret law, trademark law, and any and all other proprietary rights. RStudio reserves all rights not expressly granted to You.

3.3 Except to the extent explicitly permitted by this License Agreement, You shall not (and shall not permit any third party to) (i) copy (except for backup purposes), modify, sell, rent, lease, adapt, redistribute, decompile, reverse engineer, disassemble, or create derivative works of the IDE or any part of the IDE or otherwise attempt to discover the source code of the IDE, (ii) combine any part of the IDE with other software, (iii) distribute any software or device incorporating a part of the IDE, (iv) use the IDE except on Your own internal computer networks, or (v) otherwise use the IDE on any computer that You do not own or control.

3.4 Use, reproduction and distribution of components of the Platform that are licensed under an open source software license are governed solely by the terms of that open source software license and not this License Agreement.
3.5 You agree that the form and nature of the IDE that RStudio provides may change without prior notice to You and that future versions of the IDE may be incompatible with Products developed on previous versions of the IDE. You agree that RStudio may stop (permanently or temporarily) providing the IDE (or any features within the IDE) to You or to users generally at RStudio's sole discretion, without prior notice to You. You agree that RStudio is not obligated to provide any maintenance, technical or other support for the IDE. This License Agreement governs any releases, revisions or enhancements to the IDE which we may furnish to You.

3.6 Nothing in this License Agreement gives You a right to use any of RStudio's trade names, trademarks, service marks, logos, domain names, or other distinctive brand features.

3.7 You agree that You will not remove, obscure, or alter any proprietary rights notices (including copyright and trademark notices) that may be affixed to or contained within the IDE.

3.8 You agree that You will not, through use of the IDE or otherwise, create any application or other program that would disable, hack or otherwise interfere with any security, digital rights management, verification or authentication mechanisms implemented in or by the Platform or the IDE.

4. Use of the IDE by You

4.1 RStudio agrees that it obtains no right, title or interest from You (or Your licensors) under this License Agreement in or to any Products that You develop using the IDE.

4.2 You agree to use the IDE and develop Products only for purposes that are permitted by (a) this License Agreement and (b) any applicable law, regulation or generally accepted practices or guidelines in the relevant jurisdictions (including any laws regarding the export of data or software to and from the United States or other relevant countries).

4.3 You agree that You are solely responsible for (and that RStudio has no responsibility to You or to any third party for) any data, content, or resources that You create, transmit or display through the Product, and for the consequences of Your actions (including any loss or damage which RStudio may suffer) by doing so.

5. Privacy and Information

5.1 In order to continually innovate and improve the IDE, RStudio may collect and use certain usage statistics from the Product including Your IP address and the version number of the Product.

6. Confidentiality

6.1. Information Deemed Confidential
You agree that this License Agreement, the IDE and any non-public information that You learn or receive about RStudio's products, the IDE, designs, research, development, know-how, or RStudio's business, finances, or personnel, or non-public third party information, in connection with this Agreement or in connection with Your use of any part of the IDE is “RStudio Confidential Information”.

6.2. Information Not Deemed Confidential
RStudio works with many application and software developers and some of their products may be similar to or compete with Your applications. RStudio may also be developing its own similar or competing applications and products or may decide to do so in the future. To avoid potential misunderstandings, RStudio cannot agree, and expressly disclaims, any confidentiality obligations or use restrictions, express or implied, with respect to any information that You may provide in connection with the IDE or the Platform. You agree that any such disclosures will be
non-confidential. RStudio will be free to use and disclose any disclosures on an unrestricted basis without notifying or compensating You. You release RStudio from all liability and obligations that may arise from the receipt, review, use, or disclosure of any portion of any such disclosures.

The following information that otherwise would be deemed Confidential Information is not Confidential Information: (i) information that is generally available to the public through no fault of or breach by You, (ii) information that is independently developed by You without the use of any RStudio Confidential Information, (iii) information that was rightfully obtained from a third party who had the right to transfer or disclose it to You without limitation, or (iv) any open source code included with the IDE and accompanied by licensing terms that do not impose confidentiality obligations on its use or disclosure.

6.3. Obligations Regarding Confidential Information

You agree to protect RStudio Confidential Information using at least the same degree of care that You use to protect Your own confidential information of similar importance, but no less than a reasonable degree of care. You agree to use RStudio Confidential Information solely for the purpose of exercising Your rights and performing Your obligations under this Agreement and agree not to use RStudio Confidential Information for any other purpose, or for Your own or any third party’s benefit, without the express prior written consent of an authorized representative of RStudio. You further agree not to disclose or disseminate RStudio Confidential Information to anyone, or to discuss anything about the RStudio Confidential Information with anyone, other than (i) those of Your employees and contractors who have a need to know and who are bound by a written agreement at least as protective of the RStudio Confidential Information as this License Agreement, or (ii) except as otherwise agreed in writing by RStudio. You may disclose RStudio Confidential Information to the extent required by law, provided that You take reasonable steps to notify RStudio of such requirement before disclosing the RStudio Confidential Information and to obtain protective treatment of the RStudio Confidential Information. You acknowledge that damages for improper disclosure of RStudio Confidential Information may be irreparable; therefore, RStudio is entitled to seek equitable relief, including injunction and preliminary injunction, in addition to all other remedies.

7. Third Party Applications for the RStudio Platform

7.1 If You use the IDE with applications developed by a third party or to access data, content or resources provided by a third party, You agree that RStudio is not responsible for those applications, data, content, or resources. You understand that all data, content or resources which You may access through such third party applications are the sole responsibility of the person from which they originated and that RStudio is not liable for any loss or damage that You may experience as a result of the use or access of any of those third party applications, data, content, or resources.

7.2 You acknowledge that the data, content, and resources presented to You through such a third party application may be protected by intellectual property rights which are owned by the providers (or by other persons or companies on their behalf) and not RStudio. Your use of those resources may require rights beyond those granted by this License Agreement.

7.3 You acknowledge that any use of third party applications, data, content, or resources may be subject to separate terms between You and the relevant third party. In that case, this License Agreement does not affect Your legal relationship with these third parties.

8. Terminating this License Agreement

8.1 This License Agreement will continue to apply until terminated by either You or RStudio as
set out below.

8.2 Either party may terminate this License Agreement at any time. If You want to terminate this License Agreement, You may do so by ceasing Your use of the IDE and any relevant developer credentials.

8.3 When this License Agreement terminates, all licenses granted to You in this License Agreement shall also terminate. Sections 4–6, 8–11, and 13 shall survive termination.

9. DISCLAIMER OF WARRANTIES

9.1 YOU EXPRESSLY UNDERSTAND AND AGREE THAT YOUR USE OF THE IDE IS AT YOUR SOLE RISK AND THAT THE IDE IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTY OF ANY KIND.

9.2 YOUR USE OF THE IDE AND ANY MATERIAL DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THE IDE IS AT YOUR OWN DISCRETION AND RISK AND YOU ARE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR OTHER DEVICE OR LOSS OF DATA THAT RESULTS FROM SUCH USE.

9.3 RSTUDIO FURTHER EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER EXPRESS OR IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT.

10. LIMITATION OF LIABILITY

10.1 RSTUDIO, ITS SUBSIDIARIES, AFFILIATES AND ITS LICENSORS SHALL NOT BE LIABLE TO YOU UNDER STRICT LIABILITY, CONTRACT, TORT (INCLUDING NEGLIGENCE) OR ANY OTHER THEORY OF LIABILITY FOR ANY (A) INDIRECT, INCIDENTAL, SPECIAL CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, LOST PROFITS OR LOSS OF DATA, OR (B) ANY DIRECT DAMAGES THAT EXCEED IN THE AGGREGATE $100, IN EACH CASE, WHETHER OR NOT RSTUDIO OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES.

11. Indemnification

11.1 To the maximum extent permitted by law, You agree to defend, indemnify and hold harmless RStudio, its affiliates and their respective directors, officers, employees and agents from and against any and all claims, actions, suits or proceedings, as well as any and all losses, liabilities, damages, costs and expenses (including reasonable attorneys’ fees) arising out of or related to (a) Your use of the IDE, (b) any Product You develop, including without limitation any claim that Your Product infringes any copyright, trademark, trade secret, trade dress, patent or other intellectual property right of any person or defames any person or violates their rights of publicity or privacy, and (c) any non-compliance by You with this License Agreement.

12. Changes to the License Agreement

12.1 RStudio may make a click-through version of the License Agreement available on the website where the IDE will be made available (the “IDE Website”). RStudio may make changes to the License Agreement from time to time without further notice. When these changes are made, RStudio will make a new version of the License Agreement available on the IDE Website. Your continued use of the IDE after any such changes constitutes Your acceptance of the new License Agreement. If You do not agree to abide by this or any future License Agreement, do not use (or continue to use) the IDE.

13. General Legal Terms
13.1 This License Agreement constitutes the whole legal agreement between You and RStudio and governs Your use of the IDE (excluding any services which RStudio may provide to You under a separate written agreement), and completely replaces any prior agreements between You and RStudio in relation to the IDE.

13.2 You agree that if RStudio does not exercise or enforce any legal right or remedy which is contained in this License Agreement (or which RStudio has the benefit of under any applicable law), this will not be taken to be a formal waiver of RStudio's rights and that those rights or remedies will still be available to RStudio.

13.3 If any court of law, having the jurisdiction to decide on this matter, rules that any provision of this License Agreement is invalid, then that provision will be removed from this License Agreement without affecting the rest of this License Agreement. The remaining provisions of this License Agreement will continue to be valid and enforceable.

13.4 You acknowledge and agree that each member of the group of companies of which RStudio may be the parent (or of which RStudio may be a subsidiary) shall be third party beneficiaries to this License Agreement and that such other companies shall be entitled to directly enforce, and rely upon, any provision of this License Agreement that confers a benefit on (or rights in favor of) them. Other than this, no other person or company shall be third party beneficiaries to this License Agreement. Neither party shall be deemed to be an employee, agent or other legal representative of the other party for any purpose whatsoever, or have the right or authority to assume or otherwise create any obligation or responsibility, express or implied on behalf of the other party or to bind the other party in any manner whatsoever.

13.5 EXPORT RESTRICTIONS. THE IDE IS SUBJECT TO UNITED STATES EXPORT LAWS AND REGULATIONS. YOU MUST COMPLY WITH ALL DOMESTIC AND INTERNATIONAL EXPORT LAWS AND REGULATIONS THAT APPLY TO THE IDE. THESE LAWS INCLUDE RESTRICTIONS ON DESTINATIONS, END USERS AND END USE.

13.6 The rights granted in this License Agreement may not be assigned or transferred by You without the prior written approval of RStudio. You shall not delegate Your responsibilities or obligations under this License Agreement without the prior written approval of RStudio. RStudio may not transfer or assign this Agreement without Your consent, provided that RStudio may assign this License Agreement to a successor to all or substantially all of its assets or business without Your consent.

13.7 This License Agreement, and Your relationship with RStudio under this License Agreement, shall be governed by the laws of the Commonwealth of Massachusetts without regard to its conflict of laws provisions. You and RStudio agree to submit to the exclusive jurisdiction of the courts located within Suffolk County, Massachusetts to resolve any legal matter arising from this License Agreement. Notwithstanding this, You agree that RStudio shall still be allowed to apply for injunctive remedies (or an equivalent type of urgent legal relief) in any jurisdiction.
